Tuesday’s blast was the third in the capital in the past week. The Taliban said they were behind an attack on a Kabul guesthouse last week that killed 14 people, including nine foreigners, and also a suicide car bombing this week that killed three people, among them two young girls and a British security contractor.

Depending on what happens between now and Election Day, concern over race relations, policing and incarceration could become even more pronounced, and the number of voters who are looking for a leader on this issue could grow. And given her need to replicate the Obama coalition and the apparent belief in her ability to handle the issue, it could be an area she’ll focus on -- at some point.
The WHO said on Monday it is setting up a $100 million contingency fund to ensure that it will not be "overwhelmed" by a major crisis again as it was with Ebola, which has killed more than 11,000 people since December 2013. [UD:nL5N0Y93B3]

Alder points out that there are multiple safeguards built into Boeing aircraft systems and pilots are at liberty to cancel any commands that don’t feel right. Under the circumstances Boeing - and also, it seems, top law enforcement officials - aren’t too worried about the threat.

Asda, ranked second by annual revenue behind Tesco, said sales at stores open more than a year, not counting fuel, fell 3.9 percent from a year ago in the 15 weeks to April 19, the British supermarket’s fiscal first quarter.
