"A lot of good things we did in the first game we were missing today," Lundqvist said. "I felt like we worked hard, but I don’t think we were very smart. Penalties and losing the puck in the wrong area, it’s something we have to correct and do a lot better in the next game. They showed why they’re a good team. They made us pay on some mistakes, especially on the power play. It’s going to be a tough series if we take too many penalties."
