Not being truthful with intimate partners is a lousy, reckless, irresponsible thing to do, even for a young man barely out of his teens. But sentencing Johnson to life behind bars is not only cruel but crazy.

VTB, like other large Russian state banks, is under Western sanctions that restrict its access to international capital, making it more reliant on domestic funding when the central bank was pushing up the cost of borrowing at home.

So, the fate of a project vital to a premier New York educational institution hangs on whether the court continues to entertain fanciful obstructionism. Worse, the court could threaten informal green spaces across the city.

It’s still more than eight months away, but the possibility of Roger Goodell presenting the Super Bowl 50 trophy to Robert Kraft and the Super Bowl MVP award to Tom Brady would be dramatic, and perhaps even deflating to Goodell, even more compelling than Pete Rozelle handing the trophy following Super Bowl XVIII to Al Davis, who had beaten him in court and moved the Raiders from Oakland to Los Angeles.

The 23-year-old was arguing with her husband, 24-year-old Pete Gonzales, after visiting her mother’s home. Pete Gonzales decided to walk away from the argument — and Whitney Gonzales jumped in her car to look for him.

The average NFL player made less than the average MLB, NBA or NHL player in 2013 and/or 2014, according to Forbes. Granted, there are more players on an NFL team than any of the other sports, but as Beckham pointed out, the business of the NFL is booming. And while his rookie contract is fully guaranteed as a first-round pick, many player contracts are not
guaranteed in the NFL.

Charlotte Crosby has gone from strength to strength since appearing on Geordie Shore and now since shedding three stone has seen great success with her Nostalgia clothing line. And we can see why - just look at how gorgeous she looks in that fringed playsuit.

But when the financial crisis struck in 2008, she prioritised the economy. Some climate activists in Berlin and Brussels called Merkel the 'car chancellor' after she lobbied to scrap an EU cap on car emissions over fears it could hit jobs at big German automakers.

No doubt, some outstanding warrants are years old and unenforceable. They should be cleaned up as a matter of bookkeeping. Other warrants target more serious criminals and recidivists. They must remain in full force.
