Channelling his Saudi Arabian allies, Mr Hariri indicated that while replicating the Saudi military operation in Yemen was not an option in Syria, the kingdom had come to accept that the only way to get Washington more involved in the effort to push President Assad
out was to take the initiative and hope the US followed.

In a show of support to the Saudi-led operation, a gathering of dozens of Yemeni politicians and tribal figures ended in Riyadh on Tuesday with a declaration that called for the formation of special forces to protect Yemen’s cities engulfed in the fighting.

SOS has been running ‘Wellness Workshops’ around the country for the last five years and the experience it gained through this was used to develop the app. Features include a mindfulness diary, advice on how to take a mindful minute and short video presentations.

"Everyone who is part of Fifa’s family, as the sponsors are, has a responsibility about what is going on in Qatar, about the abysmal conditions, and numerous deaths, of migrant workers," Damian Collins MP, who is a leading force in body New Fifa Now, told the BBC.

Stepan scored at 14:17 of the second on a power play to cut the deficit to 3-2, shooting the puck from behind the net off of Braydon Coburn and in. But the Rangers just kept killing themselves with penalties. Just 1:02 into the third Stepan took another tripping penalty and Killhorn scored eight seconds after the power play ended. A high-sticking call on Derick Brassard — his second of the game — led to Steven Stamkos’ power-play goal, and Killhorn added another on the man advantage after Tanner Glass took roughing and 10-minute misconduct penalties with 2:50 left. “We continued to be undisciplined,” McDonagh said. “We continued to not play hard in front of our net. And these guys are going to make us pay.”

The Taliban launched their spring offensive in late April with attacks across a widespread area of the country in what appears to be a fresh strategy aimed at forcing the government to concentrate its efforts and assets on security — rather than on much-needed economic reforms.

The main thing that struck me is the terrible living conditions they left behind. They risked dying at sea but they faced even greater pressures trying to survive at home. They did it because they had no other way out. It's not because they were adventure seekers.
