Goodell is a much better man than he's been portrayed over the last couple of years, but in this situation not only was he way too harsh with the punishment, but how in good conscience can he hear the appeal? Nobody would want to present their appeal to the same judge who handed down the initial verdict.

The average NFL player made less than the average MLB, NBA or NHL player in 2013 and/or 2014, according to Forbes. Granted, there are more players on an NFL team than any of the other sports, but as Beckham pointed out, the business of the NFL is booming. And while his rookie contract is fully guaranteed as a first-round pick, many player contracts are not guaranteed in the NFL.
