Both situations could portend a similar outcome for Tessier, a student at Wooster College in Ohio. Tessier declined to talk with the Daily News, but his lawyer said he is determined to set a new precedent.

Just over 600 nursing homes were approached to take part and almost eight in 10 participated. However among these, just 54 (11%) stated that they offered dementia-specific care in specialist care units (SCUs). In other countries such as Norway and the Netherlands, some 33% of nursing homes offer this type of care.

Xalatan
-- Private equity firms IDeA Capital Funds SGR S.p.A, IPInvestimenti e Partecipazioni S.r.l. and Hunt Capital S.A. jointly acquire orthopaedic products maker Corin Group PLC (notified April 29/deadline June 9/simplified)

But TUC general secretary Frances O'Grady said: "House prices are going up four times faster than people's wages. No wonder mortgage approvals are falling and first-time buyers are struggling to save a large enough deposit.

The top seed Warriors swept No. 2 seed Houston, 4-0, during their regular season series this year, winning by an average of 12.8 points per game. But who would have given the Rockets a chance after they fell behind the Clippers, 3-1? The series features the 2014-15 MVP Steph Curry of Golden State against the runner-up James Harden of Houston.

Clinton is expected to testify soon before a U.S. House of Representatives panel investigating the deadly 2012 attacks on U.S. diplomatic facilities in Benghazi, Libya, and to answer questions about her email practices.

A: I knew the company before I joined. I was running one of the bigger telcos in emerging markets (Millicom International Cellular SA) and we were one of the first large partners for Deezer. We used Deezer very aggressively in some markets like Colombia. All of the sudden we were hip and modern because we had music.

Scrivo, who reportedly tried to have her son hospitalized for mental illness in the past, testified that a masked, armed man held her hostage, killed her son and made her help, including carrying bags filled with Ramsay's chopped up body parts out of the house.

Syed's case received national attention last year when it became the subject of the weekly podcast "Serial," hosted by "This American Life" contributor and former Baltimore Sun reporter Sarah Koenig. Koenig's podcast re-examined the case and raised particular questions about Syed's defense attorney, the late Cristina Gutierrez.
losses during the initial market move as well. In the last 30 days, managed futures funds tracked by Morningstar fell 5.1 percent, and are up just 1.2 percent on the year.

A San Francisco startup wants to turn ordinary cars into smart cars that can perform functions like tracking business expenses, switching on home heaters and splitting the cost of gas evenly among passengers.

Safe-haven gold, meanwhile, fell for the first time in six sessions, dropping about 0.2 percent to $1,220 an ounce. It had hit a three-month high a day earlier after disappointing U.S. economic data dented expectations of Federal Reserve rate hikes this year. (Additional reporting by Sujata Rao, Editing by Hugh Lawson)

The grimy underbelly of working class Paris is well recreated and the performances are strong. It moves a little slowly in places but the stakes are high as the conclusion moves towards the planning of a violent attack.

"Should we really be that bothered about addiction in and of itself, if it doesn't come with any other substantial harms?" said Munafo. "It's at least a discussion we need to have." (Edited by Sara Ledwith)
