BALTIMORE — A convicted killer at the center of a popular podcast that raised questions about his guilt and whether he had a fair trial will seek to call an alibi witness who has never before testified and include her testimony in his request for a new trial, which is pending in an appeals court.
Harper has given fans their money’s worth this season. He leads the NL in home runs (14), RBI (37), runs (36), walks (36), on-base percentage (.476), slugging percentage (.729) and total bases (97). The power is what gets Harper on the highlight shows, but to A-Rod, his game goes far beyond the home runs.

The lawsuit appeared to be the first filed by a non-employee of the U.S. passenger rail service. Last week, an Amtrak worker who was riding the train as a passenger, filed the first lawsuit, citing a brain injury he said he suffered in the crash.

The dwindling share of steady jobs comes against the backdrop of soaring global unemployment, with 201 million people jobless last year - 30 million more than before the 2008 financial crisis, ILO said.

"This irregular migration is not the problem of one or two nations. This is a regional problem which also happens in other places. This is also a global problem," Marsudi told reporters after a Cabinet meeting at the presidential palace.

Players don period dress, such as plus-fours and argyle socks. Hunt staged 20 events last year, and did one recently at the Royal Automobile Club’s Old Course in Epsom (where this writer was an eager, though often hapless, participant).

First elected in 1970, Sir Gerald pips three other MPs - Conservative Ken Clarke and Michael Meacher and Dennis Skinner of Labour, who all entered Parliament on the same day - because he swore the oath before them.
Last month when a noted cybersecurity researcher tweeted mid-flight about his airplane's technical vulnerabilities, he was detained by the FBI and found himself at the center of renewed debate over security risks in commercial airliners.
